Call to Order

The regular meeting of the Emergency Services Board was called to order at 1800hrs on Tuesday April 11, 2023 by the Chair Shannon Adams. Motion to except the minutes as written. Motion passed.

Communications

Bryan Miller reported CAD is still in progress. Also calls being transferred to Pennsylvania have had issues due to PA going to nexgen. Problem is being fixed

Emergency Medical Services

Chief Salvadge advised the application for RSI and BIPAP Has been accepted and now they will move to training the supervisor for the program.

Emergency Management

Carrie reported that the Narcan grants finished for the year and is unsure if the health department will renew it for next year.

DES

Roger reported the letter for appropriations has been sent for the departments that meet the requirements. Reminder that fire reports are due by the 10th of each month

Fire Services Committee and EMS Committee

Both committees meet and decided to combine due to the information being repetitive. Also the EMS committee has had issues with meeting a quorum. Motion was made by Bobby Ritchie, second by Alan Ruby to combined. Motion passed.

Safety Committee

Safety officer vehicle is close to being in service.

Special Operations

Any department interested. A lithium ion battery class is being offered April 27th. The paratec order just came in and is able to outfit the collapse truck as well as the collapse companies.

Fit Testing

One of the machines is due for calibration in the next few weeks. If the CIP budget gets approved ed then there will be up to 3 new machines ordered.

Pumps Test Committee

Pumps testing will be September 9th, 10th, and 16th

MEMA

Nothing

Fire Marshall's Office

Nothing

Standards Committee

Bobby stated they are still working on a new numbering policy for apparatus

MIEMSS

EMS cares conference is coming up with spots still open.

MSP Aviation

Jackie Pickett stated that the early activation is working well. Also, blood is close to being put on the aircraft for use.

Old Business

None

New Business

Shannon reported that he sat down with Todd at MFRI about training classes and what was needed. Bobby Ritchie made a motion that the ESB write a letter making Shannon the representative on the training committee with MFRI.

Next Emergency Services Board meeting is June 13, 2023 1800hrs @ PPG road.

Motion was made to adjourn the meeting, Motion passed @ 1817.
